Francis Hoban Chron Files Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) Assistant Executive Secretary (1970-1973), Director of Business Practices for Low Cost Systems Office (1973-1976), Civil Service Reform Act Implementation Task Force (1977-1979), Space Station Task Force (1982-1986), and head of Program and Project Management Training and Development Initiatives (1986-1994) Francis T. Hoban. Records contain materials collected by Hoban throughout his NASA career reflecting and supporting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series

contains correspondence files; reports; meeting files; speeches; Apollo 15 commemorative covers scandal; Challenger (STS-51L) accident investigation; program management; Apollo astronauts; Space Station Freedom (SSF); astronaut Personal Preference Kit (PPK) and Official Flight Kit (OFK) policy; and risk management.

General Notes

None.
